

... "take 5"

When Elmer Wight works late at night
His Revelation tastes just right.
Though he was weary, he'll revive
For he'll sit back, relax,

... "take 5"

HERE'S how to make everyone
into pleasure-time:

Just "take 5"—five minutes of
pure pleasure—and give yourself up
to Relaxation with Revelation.

So load up, light up. What mellows,
fragrant flavor! For Revelation captures
the aroma of five different to-
baccoes—Barley for body, Carolina for
color, Virginia for vigor, Latavia for
lusciousness, Perique for piquancy.

Breathe through your pipe easily,
gently. Revelation won't go out be-
cause Revelation is a balanced blend
of slow burning and fine-tuning to-
baccoes, specially made to smoke
smooth, cool, pleasant... and so steady!

How refreshingly you reach the end
of a perfect paper! But, as you
knock out the clean white ash, take
comfort—while you have Revelation,
there's always refuge and relaxation.

-take 5 ...take Revelation!
